

Office of Information Technology

TEACHERS ON THE WEB

Sponsored by Information Technology Services, Teachers on the Web is designed to help teachers harness the power of the Internet as a communication tool, this project provides free web space on the M-DCPS Internet server to teachers. Your site will actually be a subsection of your school's site, but you can update it as often as you like. After receipt of this form you will be contacted to establish your site's access to the M-DCPS Web server. Fax this request for Web presence form to Internet Services Fax #: 305- 995-3469.

A Web site for a teacher is displayed as follows. Example: teachers.dadeschools.net/lcastro

Brief description of the purpose of your Web site:

1. I am requesting space on the M-DCPS Internet server as part of the "Teachers on the Web" project.
2. I realize that the content of the site must be educational and that I am responsible for the creation and maintenance of it.
3. I understand the site must conform to the acceptable use policy (www2.dadeschools.net/technology/acceptable_use_Policy.htm) and the Internet Publishing Guidelines of the district (www2.dadeschools.net/technology/Internet_Guidelines.htm)

Signature of Teacher _____

Approval of Principal _____
